What's going on? We will create maps and timelines to show what we have read about during Reading class. The Endangered Species Project is due Thursday! Students will have the same timed multiplication fact quiz this week, so 0, 1, 2, 5, 9, and 10 facts will be on this week's quiz. It is very important that you only practice the facts we are working on in class. We will begin reviewing measurement with time, length, and mass in math. We will be learning about plants during our science unit on Environmental Science. Conference notes were sent home last week to those parents in need of a conference. Homework will be due on Thursday of this week, and there will not be a snack and study session this week.

The LSU Super Science Saturday is on October 19th from 12 - 4 PM. Submit the completed passport for 10 extra points in science.

Remember, students must dress in proper uniform each day. Leggings and dresses (jumpers are allowed with uniform shirt underneath) are not allowed. Belts must be worn with bottoms that have loops.

If you are interested in being a **mystery guest**, please contact Ms. LeBlanc by email or a "secret note" as soon as possible. Thanks for your support in making this year a success!

Thanks, Mrs. Lombard, for donating supplies to our classrooms! ☺

Red ribbon week is next week. See the schedule below.

Monday - Read Shirt Day

Tuesday - Sock it to Drugs (wear colorful socks)

Wednesday - Put a cap on drugs (wear a hat or cap)

Thursday - Twin Day (dress like your friend)

Friday - Team up against Drugs (wear a Team shirt)

Things to Know

Behavior: If students earn more than two conduct grades of a C or if they earn one D or F, they will not be able to participate in the monthly party or field trips. Conduct through November 1 will determine participation in the PBIS party. Conduct from September 18 through October 22 will determine participation in the Museum and Ocean Commotion Field Trip.

Reminders

Wednesday, October 16: Picture Day in uniform

Thursday, October 17: Report card envelopes go home, Book orders due, Endangered Species Project due

Friday, October 18: No School

Monday, October 21: Report cards with signature due
