What's going on? This week in ELA we will be working on describing characters and settings of a story. We will focus on character traits, motivations and feelings and how the setting can affect the way that characters behave. We will also review homophones and rules of capitalization and parts of speech (i.e. verbs, nouns, adjectives, adverbs). We will begin learning multiplication in Math and about Louisiana's geography in social studies. We are in need of playdoh or modeling clay. If you would be able to donate these items, it would be greatly appreciated. Make sure all forms that have been sent home for you to complete are turned in on time.

### Things to Know

Instruction begins each day at 8:25 AM. Your child is tardy if they enter the classroom after the start of class. Children with multiple tardies will be referred to child welfare and Attendance. Students should have a book in their book bag to read during the arrival and dismissal process. Any money that is sent to school will be accepted only in a sealed envelope with your child's first and last name on it. If your child's mode of transportation changes, the most effective way to ensure your child's return home is to send a note to notify the teacher.

The PTO is having a fundraiser. The envelope with the order forms went home last week. The items will be delivered in mid October. Checks must be payable to The Dufrocq School. All money and forms are due September 6.

Thanks, Ms. LaCour, for donating supplies to our classrooms!

Behavior: If students earn more than two conduct grades of a C or if they earn one D or F, they will not be able to participate in the monthly party or field trips. Conduct through August 30 will determine participation in the PBIS party. Conduct through September 18 will determine participation in the Burden Center Field Trip. If your child has earned the PBIS party this week, your child will be sent home with a free dress day pass on Thursday.
