What's going on? This week in Reading we will be working with main idea and details. In ELA we will review subjects and predicates and writing narratives. We will continue learning multiplication and division in Math. We are focusing on 0, 1, and 2 facts multiplying through 12. Students will begin timed multiplication fact quizzes this week. Students will have 2 minutes. It is very important that you only practice the facts we are working on in class. In social studies we will continue learning about Louisiana's geography by reading the novel Louisiana Purchase.

Thank you, Ms. Smith, for donating supplies to our classroom!

Things to Know

Behavior: If students earn more than two conduct grades of a C or if they earn one D or F, they will not be able to participate in the monthly party or field trips. Conduct through September 27 will determine participation in the PBIS party. Conduct through September 18 will determine participation in the Burden Center Field Trip. Conduct from September 18 through October 22 will determine participation in the Museum and Ocean Commotion Field Trip.
