What's going on? This week in ELA we will be practicing retelling important information about a text in sequential order. We will also be working with proper nouns and words with the long a sound. We will continue learning multiplication and division in Math. In social studies we will continue interpreting different types of maps.

We need your help! We are in need of colored copy paper, blank CDs, air fresheners, and playdoh or modeling clay. If you would be able to donate these items, it would be greatly appreciated. Thank you Ms. Azaq, Ms. Terayuma, and Ms. Alcalde for donating supplies to our classrooms!

Practice multiplying and dividing with your child using real life examples. When you are at the grocery store purchasing items that come in a pack, ask your child how many items would be in more than one pack.

Field Trips: The Manship Theater field trip's form did have one wrong date, but the newsletter's dates have been correct. We apologize for any misunderstanding. Remember, money and forms for all three field trips are due Wednesday.

Things to Know

Behavior: If students earn more than two conduct grades of a C or if they earn one D or F, they will not be able to participate in the monthly party or field trips. Conduct through September 27 will determine participation in the PBIS party. Conduct through September 18 will determine participation in the Burden Center Field Trip.

Reminders
