What's going on? This week in ELA we will be practicing retelling important information about a text in sequential order. We will also be working with proper nouns and words with the long o sound. We will continue learning multiplication and division in Math. A laminated multiplication facts card is being sent home for you to keep at home as a resource! ☺ We are focusing on 0, 1, and 2 facts multiplying through 12. Students will begin timed multiplication fact quizzes next week. It is very important that you only practice the facts we are working on in class. In social studies we will continue learning about Louisiana's geography by researching cities and types of communities.

Football are no longer allowed at recess. Please keep them at home.

Students have begun using the "Fab Four" strategy in class. We will use this all year in class and for homework. A laminated Fab Four strategy card is being sent home with your child for you to keep at home as a resource! ☺

Progress reports will be sent home Tuesday and must be signed and returned Wednesday. We will send home the progress report for you to keep after it is returned with the signature. As always, you may view your child's grades on the parent access website so that you can be up to date on their grades.

Dot day is Wednesday, September 11. Your child may wear a dotted shirt or socks. Uniform pants must be worn.

Things to Know

Behavior: If students earn more than two conduct grades of a C or if they earn one D or F, they will not be able to participate in the monthly party or field trips. Conduct through September 27 will determine participation in the PBS party. Conduct through September 18 will determine participation in the Burden Center Field Trip.
